

CLEARING the AIR from JULY 2

CLUBS ACROSS NSW ARE CLEARING THE AIR!

The final phase of the Government's legislation banning smoking in enclosed public areas of licensed premises takes effect from July 2, 2007.

From this date, the entire Club is a NON-SMOKING venue

Smoking will be permitted in new comfortable designated outdoor lounge and balcony areas.

Please note that under the legislation, ALL CLUB STAFF & MANAGERS have a responsibility to make sure that smoking does not take place in SMOKE-FREE areas.

OUR STAFF ARE HERE TO ASSIST YOU IN THIS REGARD.

If you smoke in a Smoke-Free area, a fine may apply.

Failure to comply with the new legislation may attract penalties or result in being ejected from the Club under Section 67A of the Registered Clubs Act.
